Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed May 15, 2009 after a decision by the Board of Patent Appeals and Interferences is not entered because prosecution is closed and the proposed amendment was not suggested in an explicit statement by the Board under 37 CFR 41.50(c). As provided in 37 CFR 1.198, prosecution of the proceeding before the primary examiner will not be reopened or reconsidered by the primary examiner after a final decision of the Board except under the provisions of 37 CFR 1.114 (request for continued examination) or 37 CFR 41.50 without the written authority of the Director, and then only for the consideration of matters not already adjudicated, sufficient cause being shown.

An amendment adding Claim 2, in its entirety, to Claim 1 will be entered.

/Marc A Patterson/
Primary Examiner, Art Unit 1794
